THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI RENUKA CHOWDHURY): (a) No survey has been conducted by the Ministry of Health and Family Welfare to find out the number of quacks working all over the country.

(b) No, Sir.

(c) and (d) Penal provisions already exist in the Indian Medical Council Act, 1956 as well as in the Indian Medicine Central Council Act, 1970 and the Homoeopathy Central Council Act, 1973 to the effect that no person other than a medical practitioner enrolled on the State Medical Register shall practice medicine in any State and any person contravening this provision shall be punishable with imprisonment for a term which may extend to one year or with fine which may extend to one thousand rupees, or with both. The Government's of India had advised the State Government/UTs to taken action against unqualified practitioners. The State Govts. of Karnataka, Haryana, Punjab, Himachal Pradesh, Gujarat and Govt. of NCT of Delhi had reported that they had initiated action against such unqualified practitioners.

Survey on the Leprosy Patients

200. SHRI BHAGABAN MAJHI: Will the PRIME MINISTER be pleased to state:

(a) whether a country-wide survey had been undertaken on the leprosy patients in different States;

(b) if so, the State-wise details thereof;

(c) the steps taken to provide proper treatment to the leprosy patients;

(d) the year by which leprosy is likely to be eradicated; and

(e) the steps taken on that direction?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI RENUKA CHOWDHURY): (a) and (b) No country-wise survey has been undertaken. However, leprosy survey is conducted as a regular activity under the Programme. The State-wise detail is annexed as statement *(See below)*.

(c) All 490 districts of the countrty have been sanctioned Multi Drug Therapy (MDT) scheme by providing free treatment to all the leprosy patients.

(d) and (e) Elimination of leprosy as a Public health problem is targetted to be achieved by the year 2000 A.D. thereby reducing case load to less than one per 10,000 population.

The following steps have been taken in this direction;

(i) Decentralisation and release of funds directly to District Leprosy Societies.

(ii) Strengthening of IEC activities.

(iii) provision of adequate quantity of MDT drugs free of cost for all patients.

(iv) Strengthening of disability and ulcer care services.

(v) Strengthening of monitoring and supervision.
